Need another community service activity for your recordbook or do you like baking cookies? The staff at the County Extension Office will be hosting a County Government Appreciation Day on May 8th and need cookies. **Make plans to bake cookies and bring them to the Extension Office on May 7th in a Ziploc or disposable container that you will not get back.**

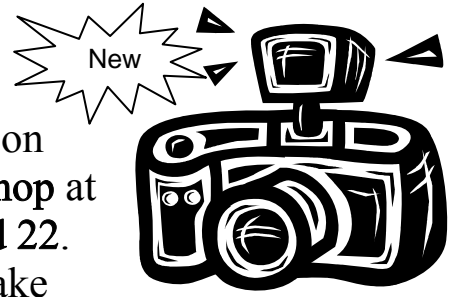

Senior 4-H'er, what's on your calendar for July 6-8? Want to serve as a teen leader at the District 8 County Camp in Palestine? If so let Sarah know by May 21st or if you need more information email her at sechudalla@ag.tamu.edu. Know that if you want to participate in District 8 County Camp, this is your only way to do so.

Sharpshooters 4-H Club is selling chances for your choice of a Browning BPS 12ga Pump Action Shotgun, Mossberg Silver Reserve 12ga O/U Shotgun, or a Weatherby SA-08 Waterfowler 12ga Semi-automatic Shotgun. If you would like to purchase a chance contact a club member or we have tickets at the Extension Office.

Be sure to get them before the drawing on May 27th

Is **Photography** one of your 4-H projects? Then plan on attending the **Texas 4-H Statewide Photography Workshop** at the Bell County Expo Center in Belton on **June 21 and 22**.

This is a great workshop and just down the road so take advantage of it. **Pre registration is required by June 4th**. For more information go to <http://agrilife.org/bell4h/files/2011/06/StatewidePhotographyWorkshop2012.pdf>

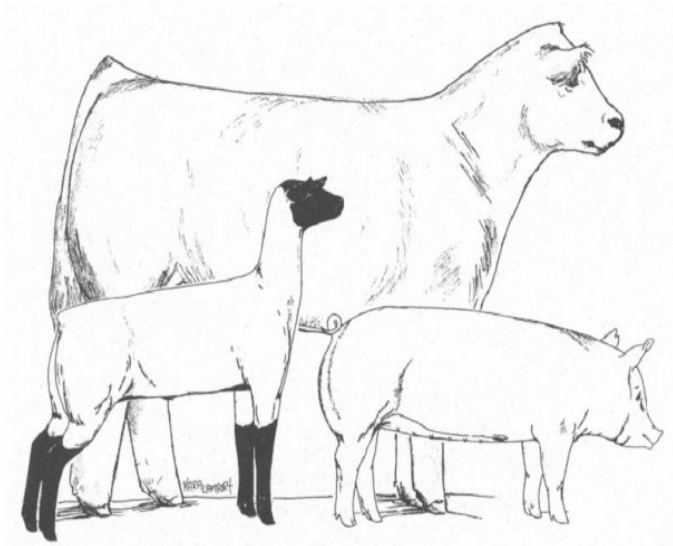

4-H Recordbooks are due to the County Extension Office by 5pm on Tuesday, June 19th. For more recordbook information go to

http://texas4-h.tamu.edu/youth_recordbooks

Are you 13 or older? Then you can attend **District 8 Leadership Lab June 27-29** at the Texas 4-H Center in Brownwood.

Leadership Lab is a lot of fun and this year's theme is **4-H Greek Week**. Lab is also where we elect our district officers for the upcoming 4-H year. If you are interested in attending or running for an office **contact Sarah by May 25th** so we can get you signed up. For more information about Lab you can go to <http://d84-h.tamu.edu/events-and-activities/leadership-lab/>

Do you have what it takes to be a **Texas 4-H Livestock Ambassador**? Are you willing to give 30 hours of service annually to help educate other 4-H'ers about their livestock project as well as interpreting the positive aspects of animal agriculture? Are you 14 years old or older? Can you attend a training on July 16-19 at Texas A&M University or July 23-25 at Texas Tech University? Then contact the County Extension office before **June 20th** to get more information and an application.

It's hard to believe, but we have completed another 4-H year. The annual awards banquet is scheduled for August and there is a chance for every 4-H'er to receive an award!

Simply click on the following link

<http://mclennan.agrilife.org/links/4-h/> and find the 4-H Award Packets either in a pdf or excel format. Or you can email Sarah for the award packet.

Check out which award you are eligible for. You will be surprised how simple it is. Just remember **applications are due by June 30th**.
