### Session 5- October 7, 2024

Equipment needs for Small Acreages & Backyard Gardening Basics

Are you new to owning your property, or looking to expand your operation in a new direction?

Come and join the Texas A&M AgriLife Extension office and MCC to learn the basics of owning land, running your new operation, and everything in-between.

This year we will offer an online option for individuals to join our class virtually or in person. Once registered we will send out more details.

Registration for this course is \$49 for the entire event (all 5 sessions)

Registration can be done at:  
[MCC Continuing Education \(mclennan.edu\)](https://mclennan.edu)

## HELPING TEXANS BETTER THEIR LIVES

### NETWORK

Through a statewide network of professional educators, trained volunteers, and county offices, Texas A&M AgriLife Extension addresses the diverse range of contemporary and emerging issues that affect local communities.

### INVOLVEMENT

Whether leading diabetes education programs, giving demonstrations on passenger safety, conducting agriculture field days, offering web-based classes for child care licensing, or answering questions one-on-one about soil testing, Texas A&M AgriLife Extension provides relevant continuing education that encourages lasting and effective change.

### COLLABORATION

AgriLife Extension partners with many external organizations, including thousands of trained volunteers, to deliver local programming.

**Texas A&M AgriLife Extension** is a unique education agency that provides programs, tools, and resources on a local and statewide level that **teach** people how to **improve** agriculture and food production, **advance** health practices, **protect** the environment, **strengthen** the economy, and **enrich** youth.

With 250 county offices serving Texans in all 254 counties, County Extension Agents serve families, youth, communities and businesses throughout the state.
